Because of the privilege and authority God has given to me, I give each of you this warning: **Don't think you are better** than you really are. **Be honest in your evaluation** of yourselves, **measuring yourselves by the faith God has given us.**"

## Questions to ask others...

1. What issues do you have in your life right now but you have those issues because of me?
2. What are you afraid to tell me because you know I will react in a negative way, which will hurt you, therefore, your concern will get swept under the rug...again.
3. What is it about my personality that is offensive to other people?
