a step-by-step guide through Scripture

disciple:

// someone who follows Jesus and leads others to do the same.

Studying God's Word is one of the best ways to grow your relationship with God, be tuned to the Holy Spirit, and get to know Jesus intimately. John 1 tells us that the Word is God, the writer of Psalms tells us it will light our path, and Jesus tells us in John 8 if we abide in His Word, we are truly His disciples.

This tool is just one of the many ways to study the Bible and dive deeper into the passages we will be studying each weekend together. Our hope is that you begin to deeply understand the scripture we will be unpacking and allow God to speak to your heart before you even walk through the doors on Sunday.

This tool is designed to help guide you as you seek to understand the context of each verse, what it meant to its original audience, and what it means to us today.
